Genuine Barbecue - Authentic barbecue is the result of cooking meat with the smoke and heat of burning wood. The smoke penetrates the meat giving it a flavor that cannot be obtained in any other way. The Buzzard Box uses hickory and other hard woods to obtain flavor, aroma, color and texture beyond comparison.

Rotisserie - (self-basting of the product) enhances its flavor and texture. You just can't get juicier or more flavorful meat any other way.

Full catering service - Delivering to parties of any size, or cooking on-site. Our 27' step van is a completely self-contained kitchen w/hot running water, refrigeration, steam table, generator, etc.

There will be an on-site fee of \$175 to \$200 applied when you request a BBQ specialist and a cooker at your event. When an assistant is necessary, the fee will be an additional \$75. A trip charge may apply when more than 10 miles from the store location.
